Department of Elementary and Secondary Education, School Food Services Section

## October 2005

For information phone 573-751-2646/9424/7253 or fax 573-526-3897

## Commodity Expos

The Commodity Expos this year will be held November 7<sup>th</sup> thru November 10<sup>th</sup>. This is a chance for all Food Service Directors to learn more about the Commodity Program. Processors will provide samples of products that will be offered for the 2006-2007 school year. The registration form will be on our website by October 7th.

## Reminder

**Do not** accept any items that are **not** listed on your delivery ticket. They belong to another school and the driver needs to return them to the warehouse so we can get the items to the right place.

If the driver attempts to deliver processed product that does not belong to your school and the processed product is accepted, your LEA must pay for the product.

## Turkey Delay

USDA has not purchased bulk turkey. This will cause a delay in LEA's receiving processed turkey product until February 2006. We will continue to provide updates as we receive information.

## Prorated Commodities

Following is a listing of PRORATED entitlement and bonus commodity items expected to be available for the 2005-2006 school year. These items are prorated based upon your ADP. **If you wish to refuse all, or any part of your allocation, your Authorized Representative must notify our office in writing at least 6 weeks in advance of the estimated delivery period.** These commodities are for use in authorized feeding programs only. Commodities, amounts, and delivery dates are subject to change.

The number shown in parenthesis for above product means your LEA will receive approximately one (1) case of that product per that number of Average Daily Participants (ADP).

Example: Peas, Frz (56) The number in parenthesis is the number of cases you will receive per ADP.

If you have an ADP of 112 you can expect to receive 2 cases of Peas, Frz.  $112 \div 56 = 2$  cases

\* If you had 25%, 50%, etc. of this product processed, adjust your ADP accordingly when calculating allocation rates. If you had 100% of this product processed, you will not receive any.
